# BACHELOR *in* BUSINESS ADMINISTRATION

## Application requirements:

1. Associate in Applied Science in Business Administration from Jamestown Business College.
2. Cumulative Grade Point Average of 2.5 or above

Applicants must meet with an admissions representative to discuss eligibility and the admission process.

A financial planning session will be scheduled with a JBC representative to determine maximum eligibility.

**Note:** Some applicants may need to complete associate level course work prior to admission into the Bachelor of Business Administration program. Some classes from other institutions may transfer.

## Application fee:

A \$50 non-refundable processing fee must accompany each application for admission to the upper division.

*"I chose JBC because with the flexible schedule I can earn my advanced degree and continue working, which was so important to me!"*

*"I completed my Associate degree at JBC and found immediate success entering the career field. Now, I'm starting the Bachelor program and will finish in just over 2 years and know that I will find even more success in my career."*

*"I explored many different options in the area and the JBC bachelor program works perfectly with my professional and personal commitments!"*

*"The upper division courses are challenging, and I'm learning all the professional skills that will help me be successful in business."*

## **Program of Study:**

### **Bachelor in Business Administration**

In the Bachelor of Business Administration program, students will experience a broad-based approach to the study of business administration utilizing extensive core concentrations for each of the following subject areas: management, general business, and general education. The program is designed to provide students with the necessary skills to be a productive member of the private and public sectors of the global economy. Students will develop the strong management skills necessary to be successful as they assume leadership roles in business.
